January 11, 2016

My name is _____ and I am a member of the Culver City High School Booster Club Casino Night committee. The Culver City High School Booster Club is a chapter 501(c)(3) nonprofit corporation, #C1445081, filed 9/9/88, Federal Tax ID # 95-4176860.

As you know, Education is a major strength in our community, and Culver City is one of the top school districts in southern California. The benefits of education do not stop at the classroom doors, but instead provide all of us with better citizens and more affluent consumers.

Without question, meeting the costs that a top quality education demands has become increasingly harder in these tough financial times. The Culver City High School Booster Club's annual Casino Night is our biggest and most successful effort in raising much needed funds, and has been a way to get the entire community involved. Over the past four years, thousands of parents, teachers, coaches and residents have attended this very important fundraising event. **This year's event is on March 19, 2016 at Veteran's Auditorium in Culver City.**

A major fundraising portion of the Casino Night is the silent and live auction. Realizing that times are tough for all business, we respectfully ask that you contribute whatever you can for these auctions. In return, we will not only promote your name with the donation, but we will also promote your business at the Casino Night and on promotional materials advertising the event. We can't thank you enough for your support.

Thank you in advance for helping out in this very important event.

Very truly yours,

Culver City High School Booster Club
